## Beautiful Rooms

Based in part on a couple of Harrison's lists (including this one for which she interviewed noted hospitality consultant **Eric Weiss**) of what she associates with a top quality hotel/resorts, here are some key indicators of a place you'll love, come back to, and recommend

## Beautiful Food

Continental food encompasses delicacies found in European countries. Indian and Chinese cuisines are essentially not a part of continental platter rather it consists of French and Mediterranean food

## Beautiful pool

onceived as a public swimming complex in 1929, Paris's Piscine Molitor was a popular hangout for the city's fashionable set until it shuttered in 1989. A group of design firms were commissioned to reimagine the historic site, which reopened last year as the Molitor hotel
